SPRINGER NATURE

Dear Dr. Jens Nielsen

We have received a request for a secure link where you can complete the next steps of your article's publication.

Please follow the link below to continue:
<https://staging-idp.springernature.com/authorize/email?code=998f8307-ff8a-4d5f-8423-c4436594f796>

With kind regards,

Springer Nature Author Service

If you have any questions, please do not hesitate to contact our Author Service team at ASJournals@springernature.com

Search for your institution I

Corresponding authors are asked to type in their institution in the search field and **“select their institution”**.

Authors should then select the institution from the drop-down list in order for the identification to work.

Authors are also identified via **IP range** and/or an institutional **email domain** in the “background”.

SPRINGER NATURE

Next steps for publishing your article

Confirm your institution or university

Dear Dr. Jens Nielsen,

Some articles are eligible for part or full coverage of the open access article-processing charge as part of an institutional agreement with Springer Nature.

[More information about open access agreements here.](#)

Please enter your institution or university below to see if you are eligible.

Search for your institution or university

Search for your institution II

To help ensure as many authors as possible are able to identify themselves, Springer Nature retains lists of name variants for every eligible institution.

We have integrated the Research Organization Registry into our systems to help **cover as many different name iterations for every institution as possible.**

The screenshot displays the ROR website interface. At the top left is the ROR logo, and to its right is a search bar labeled "Search Registry...". Below the search bar, the URL <https://ror.org/03q21mh05> is shown. The main content area features the name "Cairo University" in a large font, followed by its full name in English and Arabic: "KING FUAD I UNIVERSITY, UNIVERSITÉ DU CAIRE, جامعة القاهرة". Below this, there are two columns of information: "WEBSITE" with the URL <http://cu.edu.eg/Home>, and "OTHER IDENTIFIERS" which lists "GRID grid.7776.1", "ISNI 0000000406399286", "Crossref Funder ID 501100002386", and "Wikidata Q194445". At the bottom of the page, there are two category tags: "EGYPT" and "EDUCATION".

Select your affiliation

If the author is identified as eligible, a **welcome message** appears, which provides further information on the OA agreement.

Authors are informed on how they were identified.

Eligible article types*:

- OriginalPaper
- ReviewPaper
- BriefCommunication
- ContinuingEducation

Eligible license types*:

- CC-BY
- CC-BY NC

Awaiting institutional approval

Approval request has been submitted to the selected institution

The screenshot shows an email from Springer Nature. The header includes the Springer Nature logo and the title 'Next steps for publishing your article'. The main content is divided into two columns. The left column, titled 'Waiting for approval', contains a salutation 'Dear Dr. Jens Nielsen,' followed by two paragraphs explaining that the user is affiliated to an institution and that an open access article-processing charge (APC) may be partially or fully covered. A link is provided for more information about open access agreements. The right column, titled 'Your article', lists article details: title 'TEST JOBSHEET JJAH3', ID '10.8888/s41371-292-9677-1212-JJAH3', type 'Abstract', and journal name 'Journal of Human Hypertension'. A highlighted box at the bottom left contains a clock icon and text regarding institutional approval for Humboldt-Universität zu Berlin (1034), stating that the institution will determine eligibility and that the user will be notified by email within 5 working days. A link to contact support is also provided.

Affiliation is confirmed

If the author is confirmed as being affiliated with an eligible institution and will be covered under the OA agreement, they will receive confirmation of this

An email confirming this is also sent to the author

The screenshot shows an email interface with a dark blue header containing the title "Verify your affiliation". Below the header, the email content is displayed in a light grey box. On the right side of this box, there is a "Progress" section with a vertical line and three circular markers: "Affiliation" (empty), "In Progress" (empty), and "Complete" (filled with a green checkmark). The main text of the email reads: "Verification complete", "Dear Amrita Khamkar,", "Your article is eligible and has now been approved for the full coverage of the article-processing charge (APC) as part of your institution's agreement. More information about Open Access agreements here.", and "Your article will now be published at no cost to you." Below this text is a highlighted box for the "University of California Berkeley" with a green checkmark icon. The text inside this box says: "Our production team will now take the next steps publication of your article and contact you if they already done so." and "Need help? Contact us". To the right of the main email content, a separate white box with a black border shows a zoomed-in view of an email from "SPRINGER NATURE" to "Dear Dr. Jens Nielsen,". This email text includes: "Your affiliation has been confirmed by University of Zurich and your article will now be published at no cost to you.", "Before we can proceed with the publication of your article in Review of Derivatives Research, we first need you to complete the appropriate publishing agreement.", "Please follow this link to do so: <https://payment-and-rights-staging.snpaas.private.springernature.com/workflow/da3fd305-53c9-413c-958e-ofab46a24228>", "With kind regards,", and "Springer Nature Author Service". At the bottom of this zoomed-in email, it says: "If you have any questions, please do not hesitate to contact our Author Service team at OA.Verification@springernature.com".

Affiliation has not been confirmed

If the institution cannot confirm the author's affiliation, the author is informed that the agreement will not cover the open access publishing costs

The author can pay the open access fee or decide to publish subscription instead

Verify your affiliation

Verification complete

Dear Amrita Khamkar,

Unfortunately your article has not been approved for article-processing charge (APC) coverage under your institution's agreement. [Find out more about open access agreements here.](#)
